All reservations must be made directly with the Radisson Blu Hotel, Athlone.

Overnight rate is €130 per single room per night and €150 per twin/double room per night. Bookings can be made by calling the hotel directly on +353 90 644 2600 or emailing [reservations.athlone@radissonblu.com](mailto:reservations.athlone@radissonblu.com).

## CANCELLATION POLICY

All cancellations must be received in writing either by email or by post to IDA House, Unit 2 Leopardstown Office Park, Sandyford, Dublin 18. Cancellations received 29 days or more prior to the course/event will be entitled to a 100% refund. Cancellations received between 15 days and 28 days (inclusive) prior to the course/event will receive a 75% refund. For cancellations received between one day and 14 days (inclusive) prior to the course/event, no refund will be given. Failure to attend the course/event on the day will constitute late cancellation and no refund will be given. Substitutions are welcome at any time. Due to unforeseen circumstances, the programme may change and the IDA reserves the right to cancel the event or alter the venue and/or speakers.

**ADA C.E.R.P.®** | Continuing Education Recognition Program

Irish Dental Association is an ADA CERP Recognised Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Irish Dental Association designates this activity for 11.5 continuing education credits.

# HSE DENTAL SURGEONS

# SEMINAR 2024

OCTOBER 10-11  
RADISSON BLU HOTEL, ATHLONE

CPD  
VERIFIABLE

# WELCOME

Dear friends and colleagues,

I'm delighted to invite you to the 2024 HSE Dental Surgeons' Annual Seminar. Our event takes place in the riverside Radisson Hotel, Athlone, over October 10 and 11.

National and international speakers will cover a diverse range of topics, and group workshops will feature on the Friday afternoon. This varied programme will, no doubt, enhance the exceptional patient care we all provide every day.

Thursday's trade show will also keep us abreast of new developments and we thank our trade sponsors for their continued support.

This seminar is about much more than CPD. Come and hear how the IDA works on our behalf. Catch up with old friends, make new ones, and strengthen the bonds of collegiality between us. Together we are stronger!

I look forward to welcoming you to Athlone.

**DR MAURA CUFFE**

President Elect

## THURSDAY EVENING SOCIAL

Join us at The Left Bank restaurant for dinner, wine and fun! €60 per head including dinner and wine. Walking distance to hotel.

# SPEAKERS

## WORKSHOP 1

**Dr Andrew Bolas**

**Getting a grip of your holders – an interactive workshop to pass on and share some hints and tips to get the most out of your film holders**

**Dr Hugh Byrne**

**Optimising adhesive restorations – principles of the biomimetic approach**

### Learning objectives

Following this presentation, participants will have a better understanding of:

- how the natural tooth functions biomechanically and how preparing cavities impacts this;
- contemporary management of hard tissue defects and minimising the risk of pulp exposures in permanent teeth;
- the importance of adhesion and the challenges of dentine bonding; and,
- how best to manage the configuration of the cavity and the volume of the restorative material.

## WORKSHOP 2

**Dr Isabel Olegário**

**Restorative materials in paediatric dentistry**

**Dr Kate Farrell**

**Paediatric oral and maxillofacial surgery**

The aim of the lecture is to provide an overview of the management of infections, dentoalveolar pathology and facial trauma.

**Dr Noel Kavanagh**

**Tips for avoiding complaints**

This lecture will explore:

- why complaints arise;
- preventing complaints; and,
- handling complaints.

**Prof. Siobhan Barry**

**Paediatric dental trauma – holistic management is the key to success**

Following this lecture, delegates will:

- be aware of the different traumatic dental injuries that may present in the paediatric population;
- understand the correct management strategy for each injury; and,
- have an appreciation of safeguarding issues and how to identify them in cases of traumatic dental injury in the paediatric patient.

**Dr Grace Kelly**

**Dental anxiety management: decision-making for the dental team**

Objectives are:

- to improve understanding and confidence on the use of behaviour support techniques and their indications for use for people with dental anxiety; and,
- to improve decision-making on the use of dental anxiety management techniques.

**Dr Brian McClean**

**Resilience**

Resilience is a variety of skills and coping strategies that enable us to bounce back from bumps in the road. Above all, resilience is knowing that you are the only one that has the power and the responsibility to pick yourself up. The moment we realise that our success is determined by our emotional literacy rather than ingrained ability is the moment we begin to flourish in the face of adversity.

## WORKSHOP 3

**Dr. Catherine Gallagher**

**Medical emergencies**

A workshop that will discuss medical emergencies in the practice and how to manage them when or if they arise.

**Dr Edward Cotter**

**Maryland bridges – when, why, how long, how?**

Objectives are:

- to discuss the clinical applications for Maryland bridges;
- to review the reasons for considering Maryland bridges as a treatment option;
- to discuss the anticipated longevity for Maryland bridges; and,
- to review the important aspects of Maryland bridge success.

**Dr Shane Higgins**

**Anterior open bite malocclusion – aetiology and management**

**Catherine McKinley**

**'Tongue tales': form and function in health**

The aim of this lecture is to open a conversation regarding the functions of the tongue, its neuromuscular co-ordination, and its important role in sustaining oral health and general wellness.
